Malaysia D'Camp provides accessible and barrier free recreation programs which include music, fitness, team building and scouting activities. It is a place for young adults with learning differences to experience friendship, fun and play which paves the way for a full and inclusive life!

It is a camp facilitated by a team of trained multi-disciplinary therapists and the Scout District Bukit Bintang. We embrace a peer buddy system whereby each camper will be paired up with a peer. Malaysia D'Camp is a place where campers will discover and explore their interests, values and talents, while creating lifelong memories.
