

# How to Stay Safe?

This is a virus going around. It is called Covid-19.

It can make many people sick.

# I can stay safe by washing my hands properly.

I can close my mouth and cover my nose with my elbow when I cough or sneeze.

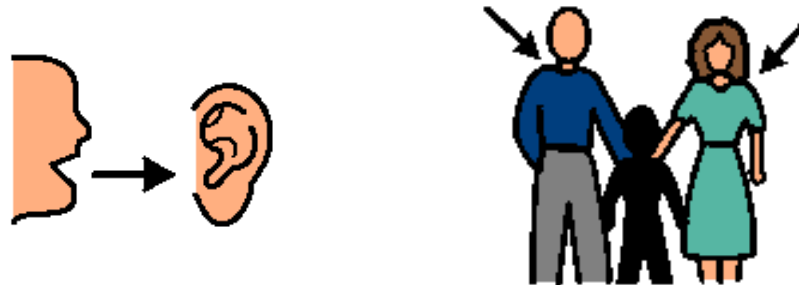

I can wear a mask if I am sick to protect other people from getting my germs.

# I can stay away from people who are sick.

# If I feel sick I can tell my mummy or daddy.
